

YOUR BATTLESHIPS

ENEMY BATTLESHIPS

FLEET

Submarine	6 units
Aircraft Carrier	5 units
Battleship	4 units
Cruiser	3 units
Destroyer	2 units

RULES

1. Mark your ships **on the lines** according to your fleet.
2. With your partner, take turns naming a coordinate (ordered pair) to find your enemy's ships.
3. Mark your hits and misses on your enemy's ships.
4. If you miss your enemy's ship, your partner goes. If you hit your enemy's ship, you get another turn.
5. The winner sinks all of his/her enemy's ships!

KEY

- X = hit**
O = miss
